

LAUNDRY BOOKING APP PROJECT 1

NOOR ANJEELINA BINTI MD JAHAN S61889

APP OVERVIEW

THE COLLEGE LAUNDRY BOOKING APP TRANSFORMS THE ON-CAMPUS LAUNDRY EXPERIENCE FOR STUDENTS BY PROVIDING A USER-FRIENDLY INTERFACE WITH A "START BOOKING" BUTTON, ALLOWING USERS TO EASILY RESERVE WASHERS OR DRYERS. THE APP'S KEY FEATURE IS THE FLEXIBILITY FOR USERS TO INPUT THEIR PREFERRED DATE AND TIME, ENSURING A PERSONALIZED AND CONVENIENT LAUNDRY SCHEDULE.

ULTIMATELY, THE APP AIMS TO IMPROVE STUDENTS' CAMPUS EXPERIENCE BY ALLOWING THEM TO FOCUS ON THEIR STUDIES AND ACTIVITIES INSTEAD OF WORRYING ABOUT UNPREDICTABLE WASHING SCHEDULES.
